**DO RECORD NUMBER D02611325239**

The fingerprints appearing on the fingerprint card(s), which were previously submitted for Departmental Order 556-73 purposes, are not adequate for accurate identification purposes. The reason(s) the fingerprints were not adequate are set forth below:

L0008            The quality of the characteristics is too low to be used.

It is requested that the individual(s) be reprinted to obtain fully rolled and clearly recorded fingerprint impressions. Each individual's request will be processed upon receipt of a new completed fingerprint card, customer application, and payment of \$18 per copy of results requested. Requests may be resubmitted electronically by visiting our website at <https://www.edo.cjis.gov> or by mail/courier service to:

FBI CJIS Division-Summary Request  
1000 Custer Hollow Road

## Please Note

Training information relative to the procedures for properly recording fingerprints can be obtained from your nearest FBI Field Office or the Criminal Justice Information Services Division in Clarksburg, WV.

It is suggested that each newly recorded fingerprint card be examined to ensure that the impressions are fully rolled and clearly recorded, bearing in mind the following:

While every effort is made to process every fingerprint card submitted, in some instances this is not possible. The FBI fully recognizes the occurrences of situations which challenge the ingenuity of the identification officer to secure identifiable impressions.

Your earnest cooperation is solicited in obtaining the best possible impressions in each block on each fingerprint card. By doing so, you are rendering a vital service and making a major contribution to all agencies participating in the fingerprint exchange program.
